Software Engineer Seeking a Position as  
Java Developer  
Willing to Relocate to the San Francisco Bay Area

## Experience

---

*Computer languages:* **Java**, C/C++, Pascal, Basic, and Assembler.

*Modeling languages:* OMT/**UML**, **SDL**/MSC, Lustre.

- Since August 1998 *Application Engineer with CS Verilog (<http://www.csverilog.com/>), first in France, then in Dallas, TX*  
CS Verilog provides software development solutions for real-time systems. CS Verilog's flagship product is [ObjectGEODE](#) a CASE tool based on SDL and UML. Other tools include a development environment for safety critical systems, and a testing tool for C/C++/Ada/Java programs.  
I am involved mainly in post-sales engineering, doing specific product development, training classes, on-site consulting, and technical support.
- February – June 1998 *Senior year project*  
Development of a **Java code generator** using UML models designed with Rational Rose.
- August 1997 – January 1998 *Long-term internship with the World Health Organization, in Copenhagen, Denmark*  
Analysis and design of a corporate CD-ROM under Macromedia Director, and design of a [Java Applet](#) to let web site visitors order documents edited by WHO/EURO.
- 1997 *Student project*  
Development of a graphical tasks scheduling tester in Java. This is an introductory tool demonstrating the algorithms used in the management of tasks in real-time systems. This tool, Scheduler, is still maintained on a regular basis. Binary and source code are available on <http://travel.to/elefevre/>.
- Summer 1995 and 1996 *Internships at [Dumez-GTM](#)'s (IS department), [France Telecom](#) (Access database design), and CLIP (computer trainings given to convicts).*

## Education and Diplomas

---

- 1998 **Software Engineering diploma**  
Institut Supérieur d'Electronique de Paris (<http://www.isep.fr/>).  
Majored in New Technologies in Information Systems.
- 1997 Test Of English as a Foreign Language (<http://www.toefl.org/>), 650 out of 677.
- 1993 French Baccalaureate in Science with honors.
- 1992 Certificate in Advanced English (CAE), from the Cambridge University.

## Miscellaneous

---

Contributor to the [ArgoUML](#) project, an open-source CASE tool based on UML, and programmed in Java.  
From 1996 to 1997, vice-president of the student association Promethee-ISEP (demonstrations of computer-related products in exhibitions and retailer stores), in charge of the relationships with Compaq France.  
Other languages spoken include French (mother tongue), some Indonesian and German.  
Misc. interests: French classical literature, jazz music, art movies, and swimming.
